(Church Office)

Crisis Prayer Email List

Emailed out when received
(Church Office and Jean Beans)

Session and Church Family:

- The Session as they deal with strategy for the church
- Pray for financial resources to accomplish much for God's Kingdom
- Pray that we could all meet again in person on Sunday mornings.

Children's Ministry:

- Pray that God would rebuild Children's Ministry with more children participating and all the teachers, assistants and volunteers we need to disciple our children
- Pray that our covenant children would put their trust in the Lord Jesus
- Pray for two co-directors for Nursery and that we could get our Nursery ministry up and running by Easter
- Pray that God would use our new class, *Lord, Teach Me to Pray*, to draw our children closer to Him, to gain an understanding of prayer and to develop a vibrant relationship with the Lord through communion with Him. Pray that God would give Ree Burroughs and Michele Prince discerning minds and hearts as they teach this class.

Congregational Life:

- Pray for the spiritual growth of our people within our small groups as they continue to study the Word in the Scriptures and through the sermons.
- Pray for our volunteers who teach our Adult classes that the Lord would bless their studies as they teach and help SPEP continue to grow in maturity of faith and obedience to Jesus.

Worship Ministry:

- You can pray for the preparation of the virtual choirs for Palm Sunday and Easter. Praise for all the people that God has brought into these productions!

Youth Ministry:

- Pray for incarnational opportunities for leaders to invest in the lives of students and for the spiritual growth of the youth at SPEP through our weekly programs and discipleship opportunities (Sunday School, Youth Group, Fire and Fish, and Battalion).
- Pray for God to raise up leaders/co-leaders that are willing and equipped to teach small group Sunday School classes.
- Pray for wisdom and discernment for our youth ministry leadership team as we meet to discuss plans for 2021. Pray for unity and for creative solutions for how to safely gather with our students.
- Pray for outreach opportunities with new students and for continued connections to para-church ministries and new students within our community.
